FRUMPY and STEPHANIE
Candidates for
Emperor and Empress

TO ALL THE PEOPLE OF ALAMEDA COUNTY:

I, Tony Valentine, Emperor III of A.C.I.E., wish to thank you for electing me as your Emperor for 1981-82. This year has been a dream come true for me to represent this vast community. This reign has been exciting, fun and exhausting. The last year, as your Emperor, has carried me some 10,000 miles and in attendance at 72 in and out-of-town functions representing the gay community of Alameda County.

I have done my best and I must confess that I am tired and deserve the right to step down. My travels have brought forth love, understanding and unity to this community. Even though support was lacking within our community, I continued to overwhelm our peers and continued the task set before me. It is impossible to thank each person personally, for helping to make my year a successful one. I love you all; especially Fat Fairy, Lady Stephanie, Chuck Monedero, Dean Schmitz, Jon-Jon, Lady April, Fred Corella, Bench and Bar, Dago Frank, and their most Imperial Majesties throughout the country that I have met and shown me the respect of our fight to live a life style of happiness and unity.

To Emperors Mark Dalton, Cal, Larry, Manny, Jack and Gene Bettis, I bow and praise your loyal support for offering your love, understanding, creativity and talents. I have enjoyed the hospitality and warmth extended throughout the many Empires.

Tonight I finish my reign as Emperor. My eyes are wet and heart is full. I have given all that I could, but I am a rich man for the experience.

To the new monarchs -- Good Luck.

LOVE AND PEACE TO YOU ALL.

Tony Valentine

Good Evening Lady's and Gentlemen

Well another year has gone by. I would like to *THANK* you for coming tonight and hope you enjoy yourself this evening.

At this time I would like to *THANK* my many friends that helped me through my reign....it has been a beautiful year for me. I have done a lot of traveling to other Cities and different States and met so many beautiful people that I will treasure. I'd like to wish the candidates good luck - especially the new Monarchs...God know's they will need it. My *Special Appreciation* goes out to all of our Bars and Organizations ...you proved that through Love - comes Unity and you have all made me so proud to be your Empress that the words won't come to mind for tears; not tears of sadness, but of Joy and gratitude.

My reign taught me that belief in one's self brings countless reward's. One learns that friends and acquaintances can carry you only so far as their own capabilities and from that point you are on your own.

I have no regrets of my past year. I only hope that I've not forsaken anyone or lost any confidence of those who gave their support from the inception of my campaign.

Finally my sincerest *THANKS* to the Gay Community and Friends.

With Much Love, Peace and Unity
Toni, Empress III

..To the Community of Alameda County Imperial Empire..

I have been your Queen Mother from the conception of A.C.I.E. in 1979, until this day when I will be taking my final walk. During the 3 years that A.C.I.E. has been striving to survive, I have tried to achieve a meaning for my involvement as Queen Mother, and to those who recognize and appreciate my sincere endeavors, I would like to extend my whole hearted gratitude and love.

I had hoped to retain the title of Queen Mother of Alameda County Imperial Empire for Life as stipulated when I accepted the responsibilities of this position, however due to a valid change in the Constitution and By-Laws, it is now the reigning Monarchs who will appoint their Queen Mother to reign for the length of each term.

I honestly feel that this change is good, and since I have always been mainly intrested in the furtherment and betterment of the Community of which I belong, I am stepping down most humbly and with great respect for everyone involved in A.C.I.E.

I would like to bid farwell to the reigning Monarchs T&T and thank them for Their year of reign.

To the new Emperor and Empress, whom ever this Community choses to elect, I would like to offer my continued support and help in what ever capacity is needed.

I remain Yours As Ever,

the Queen
